

Leavenworth County Economic Development Administrator Recruitment

The Leavenworth County Kansas Economic Development Administrator, under the general direction of the County Administrator, will plan, manage and oversee the activities and operations relative to economic development initiatives, programs and projects designed to promote community vitality and encourage efforts to expand the local economy. Act as the County liaison for coordination with other economic development entities and the municipalities within the County. Prepares and presents analysis of all County economic development projects and administers the County comprehensive economic development policy. Coordinates assigned other activities with various departments and outside agencies and provides responsible, timely and complex support to the County Administrator.

Qualifications

- A Bachelor's degree from an accredited college or university with major coursework in business or public administration, planning, economics or a related field. Master's degree would be preferred.
- At least 10 years of progressively responsible economic development experience including demonstrations of program start-up, autonomy and cooperative efforts.
- The designation of CEcD from the International Economic Development Council (IEDC) or Economic Development Institute (EDI) to demonstrate commitment and mastery to the field of Economic Development (preferred).

Submit an electronic cover letter, resume and references by Tuesday October 12th, 2021, 8:00 AM Central Time to mloughry@leavenworthcounty.gov.

Salary is dependent upon qualifications.
